

## Good morning!

I hope you enjoyed last week's learning, thank you for your emails. These are your lessons for today. Please do your best!

Each day, there will be a daily blog on the class page of the website with everything you need for your learning.

### Phonics

This week I would like you to work on recognising/reading and spellings some of the 100 high frequency words. There is a 100 High Frequency word mat and checklist within the resources. Check off the ones you can read.

Play some phonic HFW games on Phonics Bloom or Phonics Play

Mrs Baynes' Gp Phase 3 and 4 focus for spelling-

**he, she, we, me, be, was, my, you, her, they, are, all**

Mrs Allen's Gp Phase 2 and 3 focus for spelling-

**the, no, go, to, I**

I have also added the phase 2 and 3 sound mat. Can you say the phoneme (sound) for each of the graphemes (letter shapes/patterns) shown? Use the pictures to help identify the sounds.

Parents, this video link will demonstrate the correct pronunciation of each phoneme.

### English

#### How butterflies came to be

This week I have selected a unit from Oak Academy to work on as we'll continue with Harry the Happy Mouse when we are back in school together.

<https://classroom.thenational.academy/units/how-butterflies-came-to-be-7a0c>

**Lesson One**-This focuses on listening and responding to the story using a **plot matrix**.

**Parents:** The video contains a spelling element, please don't worry too much about this focus as it is concept we will look at later in the year.

### Maths

#### Addition and Subtraction

<https://classroom.thenational.academy/lessons/combining-sets-count-on-74u32r>

Following on from last week's work on addition and counting all the sets, this week you will focus on counting on from a set to make your problem-solving skills more efficient.

Again, I've taken screen shots of the tasks if you would prefer to record your work on paper. If you don't have a dice you can just write out numbers 1-6 on card and randomly lay them face down on the table selecting one each time you need to make a number sentence to solve.

## Other subjects-

### Reading

You have books set in <https://www.activelearnprimary.co.uk/login?c=0> to read. (See Diary for login details)

Alternatively, you can set up a parent login with <https://www.oxfordowl.co.uk/> Once logged in click on ebooks across the top tab. Then click ebooks library arrow. Scroll down to the filter section and select books within red level or yellow level to read.

### PE

If you have the space, practice your fundamental movement skills, hopping on both legs, jumping and skipping. You could also look at throwing over and under arm and catching.

If you don't have space, have a go at another <https://www.cosmickids.com/category/watch/> to keep active.

### Music

<https://classroom.thenational.academy/lessons/rhythm-and-pulse-c4tker>

Click on the link to explore pulse and rhythm.

Looking forward to seeing the work you manage to complete! Please keep yourselves safe and keep smiling!
