

Good morning!

Good Morning Year 1. I hope you enjoyed yesterday's learning. I loved receiving your work. Here are your lessons for today. I hope you enjoy them, and I look forward to hearing from you all soon. Keep smiling!

Each day, there will be a daily blog on the class page of the website with everything you need for your learning.

Phonics

Practice writing your words. Add sound buttons to them to help identify the graphemes for the phonemes you hear. Make up silly sentences to write using some of your words. Remember to use finger spaces in between your words.

Mrs Baynes' gp-**snail, Spain, crayon, clay, beech, feet, treat, bleach, said, so**

Mrs Allen's gp-**fizz, buzz, fish, wish, quick, quiz, quack, cash, shop, shed**

Play some phonic games on Phonics Bloom or Phonics Play

Mrs Baynes' Gp Phase 3 and 4 and 5

Mrs Allen's Gp Phase 2 and 3

English

Harry the Happy Mouse-Narrative

Use your story board from yesterday. Say a sentence for each illustration. Repeat your sentence until it is clear in your head. Use your phonics to help you identify the sounds and spell each word. Remember to sit your letters on the line, leave finger spaces and finish with a full stop.

Parents please don't worry about correct spellings, encourage your child to apply their phonics as much as possible.

For example, your child may write helped as helpt as they haven't yet been introduced to the suffix ed.

Maths

Number Bonds to ten

Work has been set on **"My Maths"** Number bonds to ten. Try the practice section before completing the homework.

Other subjects-

Reading

You have books set in <https://www.activelearnprimary.co.uk/login?c=0> to read. (See Diary for login details)

Alternatively, you can set up a parent login with <https://www.oxfordowl.co.uk/> Once logged in click on ebooks across the top tab. Then click ebooks library arrow. Scroll down to the filter section and select books within red level or yellow level to read.

Science

Animals: What do I eat-Classifying animals according to their diet.

Share the **What do I eat?** document and find out about animal diets. Cut up the sorting cards and look carefully at the food each animal eats. Sort the animals into the correct group on the recording document.

Alternatively, if you have no printer to print out the sheets log in to **Purple Mash** where a quiz has been set.

You could also have a go at this interactive game.

<https://www.sheppardsoftware.com/content/animals/kidscorner/games/animaldietgame.htm>

Handwriting

We have been working on correctly forming the curly caterpillar letters. Practice these letters making sure you start in the correct place

Looking forward to seeing the work you manage to complete! Please keep yourselves safe and keep smiling!
