Dear Mrs Green,

Re: Green Mentors Group

Thank you very much for taking the time to write to me. I think the Green Mentors Group is a fantastic initiative and I absolutely agree with you that we need to do everything we can to encourage walking and to protect the environment as much as we possibly can.

Thank you as well for inviting me to come and meet with you at school and to attend the Ecofestival in the summer. I would be delighted to do both and will ask Caroline from my team to work with your school to set-up a suitable time.

I look forward to meeting with you soon and to discussing all these issues in more detail.

Best Wishes

S Britcliffe
