Finding and matching phonemes

Autumn Term 1 Week 3

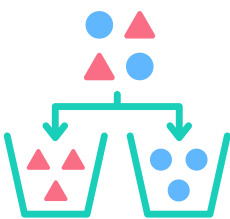

Rules, routines, my family and my house.

We have been practising our cutting skills and learning how to use scissors safely

In our maths lessons we have been matching and sorting. Here we chose to sort all the animals by colour

We have been developing the strength in our fingers and improving our hand-eye coordination by adding sticky dots to wiggly lines!

Funky Fingers!

Autumn Term 1 Week 3

Rules, routines, my family and my house.

We used
watercolour
paints to paint
different types of
houses.

We learnt about different types of houses. We talked about the type of house we live in and discussed how these might be different to each other. We looked at pictures of different types of houses from around the world!

Autumn Term 1 Week 3

Rules, routines, my family and my house.

As part of our RE and PSHE lessons we have been learning about how we are all different, special and unique. We looked at our finger prints and saw how they ere all different. We spent some time drawing together to celebrate our differences. We drew ourselves with our favourite things!

"I've drawn a tiger and an elephant. I like animals."
Rory

"I've drawn a banana and an apple. I love to eat fruit"
Alfie

"I'm drawing me paitning because I love to paint!"
Evie

"I'm doing a lion because I like animals too!"
Reggie

"Look I've drawn a spaceship, they're my favourite!"
Tristan

"I've drawn macaroni cheese because it's my favourite food to eat"
Oliver
